Make Leadership Development a priority. IT'S WHAT LEADERS DO.

Whether it's at church, home, work, or in the community, God is calling His people to do what leaders do. **Cast vision. Set strategy. Navigate change. Motivate teams. Build into others.** But whose job is it to build into you? The truth is, leaders are responsible for their own development.

That's why tens of thousands of Christ-following leaders will gather in more than 140 locations across North America for The Leadership Summit 2008, Thursday-Friday, August 7-8. It's an annual, high-caliber event designed to stretch, challenge, and inspire.

Much more than "just a conference," The Leadership Summit is two full days of opportunity to process the life-changing potential of your church in your community and the world. Featuring highly-respected leaders in the church, marketplace, and academia, this event is designed to give teams space to grow and learn together.
