

Bend My Knee

by Aaron Niequist

You are the only God
Who could build an ocean
You are the only one
Who deserves my life
You are the only path
That can lead to heaven
You are the only God
I will worship now
And I am here to tell you
Loud and clear!

Chorus

I'm not gonna bend my knee
To anybody but you
I'm not gonna bend my knee
Oh oh no
I'm not gonna bend my knee
I answer only to you
I'm not gonna bend my knee
To anybody but you!
Anybody but you!

You are the only power
That can change my heart
You are the only one
Who can heal my hurts
You are the only love
Free of all conditions
You are the only God
I will worship now
And I am here to tell you
Loud and clear!

(Chorus—3 times)
