**WELCOME** . . . to the Small Group Leadership Training section of this curriculum.

The first part of the training, called “**Looking into Leadership**” is for potential leaders to read and engage with before coming to the training workshop. This Bible study is based on the Five G perspective of Willow Creek Community Church. Your church may not be based on the Five G perspective, but you can use this Bible study to open the minds of the leaders towards servant leadership. Print out this section and distribute to participants before the training workshop you schedule.

The remaining materials in this leadership training are intended to be used in a workshop setting:

**Part One—(p. 17) Leadership Light: Leading Others with the Light of Christ in You**

**Part Two—(p. 26) Listening: Hearing Beyond the Words**

**Part Three—(p. 32) Leading a Group: An Introduction to Group Dynamics**

**Part Four—(p. 39) Pastoral Care: Sensing and Responding to the Needs of Others**

**Part Five—(p. 47) New Leader Orientation**

For each part, print the Teacher's Guide for the teacher. The Participant's Guides follow each of the Teacher's Guides. Print each of these and photocopy as many as needed for the participants.
